

Facility Engagement is a BC-wide initiative that supports meaningful consultation and collaboration among facility-based medical staff and health authorities.

It is strengthening communication and relationships, and creating effective processes for working together on shared priorities that improve patient care and the work environment.

WHY ENGAGE?

For our patients. Strong engagement among physicians and health organizations supports high quality health care, improving patient outcomes and lowering costs.

For effective change. When we work together, we solve problems faster, make better decisions, and achieve more.

WHAT ARE WE WORKING ON?

- Patient care delivery
- Hospital pressures
- Regional and system challenges
- Wellness and workplace culture

HOW DOES IT WORK?

A COMMITMENT TO LOCAL AND REGIONAL ENGAGEMENT

is shared by Doctors of BC, the Ministry of Health, and all BC health authorities as part of the Physician Master Agreement.

FUNDING AND SUPPORTS

from the SSC Facility Engagement Initiative support medical staff to engage in health care planning and decisions.
