

# 6 ATTRIBUTES OF A SUCCESSFUL PROJECT

These six attributes were found to be present in highly successful Facility Engagement- funded activities. This list can serve as a useful reference point when reviewing activity proposals, as well as during project planning.

- |                          |           |  |   |
|--------------------------|-----------|--|---|
| <input type="checkbox"/> | <b>1.</b> | The aim of this project/activity is to solve a problem                                     |    |
