

## Minimum Technical Specifications

---

### Desktop/Laptop

Hardware Requirements		
		<p>Processor – 2.5 GHz or faster</p> <p>RAM – 6-8GB</p> <p>Hard Drive – 250GB or higher</p> <p>Note: If you plan to purchase or use a dedicated desktop/laptop for your society, it is recommended that you purchase a <u>PC with a 256 bit encrypted hard drive</u>. An encrypted drive will prevent access to locally stored financial and claims information if the computer is lost or stolen.</p> <p>To purchase a PC with a built-in encrypted hard drive, you must call a PC vendor (e.g., Dell, Lenovo, etc.) and place a special order. Please bear in mind that it may take some time to process and receive a special order (e.g., 4 weeks for Lenovo).</p>
Software Requirements		
	Operating System	Windows – 7, 8.1, 10
	Browsers	<p>Mozilla Firefox (recent versions)</p> <p>Google Chrome (recent versions)</p> <p>Microsoft Internet Explorer (version 11)</p> <p>Microsoft Edge (recent versions)</p> <p>Apple Safari (recent versions)</p>

**Mobile Devices (e.g., cell phone, smart phone, and tablet)**

<b>Software Requirements</b>
